Donate to my school class Healthy Harold Hundred challenge so we can have a chance to win a fully paid delicious lunch for the whole class!

The Healthy Harold Hundred is challenging Queensland school classes to get moving in June to stop bullying.

The school class with the most amount of funds raised for the Life Ed Qld's bullying prevention programs will win a paid healthy and delicious lunch to celebrate their success.

All donations towards the Healthy Harold Hundred challenge will help Life Education and Healthy Harold reach more Queensland schools and raise funds for vital bullying prevention programs so that all kids can grow up free from the harms of bullying.
